

U.S. SAWS

Spec Sheet: ACH-12

Our ACH-12 brings the benefits of our other air powered saw to the chain saw. Comparable in power to our conventionally powered competitors, but without the harmful exhaust next to you, the ACH-12 is perfect for your cutting needs.

- Square corners without overcuts
- Cut irregular shapes
- Safe to operate - no "kickback"
- Wet cut with no hazardous dust
- Cut in water with no problems

Model	ACH-12
Part Number	US60500
Price	\$ 2,420.00
Power Source	Direct Drive Air Motor
Air Requirements	120 cfm @ 90 psi
RPM	4300
Maximum Cutting Depth	12"
Chain Used	Tiger Tooth, Standard Concrete
Whip/Air Hose	1/2" hose - 1/2" NPT - 6'
Oiler	#5-PF, 1/2" NPT
Weight	18 lbs
