CYCLONE PRE-SEPARATOR

Features

- Low cost way to turn your Shop-Vac® into an effective, industrial dust collector
- Removes 99.9% of concrete dust that passes from your grinder or saw’s dust shroud before it reaches your vacuum’s filter
- Attaches to any shop-type vacuum & extends its motor’s life
- Reduces downtime changing filters
- For use with 1 hand-held grinder
- Heavy debris falls into pail (any 5-gallon bucket works) for quick & easy disposal
- Unit includes separator, 8’ hose, roller base
- 2 models offered--with or without bags
- Model with bags includes adapter enabling use of plastic bags for easier emptying and less downtime
