

U.S.SAWS™

U.S.SAWS 3 Magnet Break N' Take

U.S.SAWS 3 Magnet Break N' Take allows users to quickly, safely, and magnetically remove and replace manhole covers weighing up to 150 lbs.

Our Break N' Take Magnetic Manhole line does the heavy lifting for you, along with minimizing stress and strain on the back and body. The ergonomic design of our system allows even a single person to lift and move a heavy manhole cover with ease.

*Up to 150 lbs Magnetic Manhole Lifting Capacity

EASY TO OPERATE

Step 1: Place magnet on edge of manhole lid

Step 2: Push down on handle to “break” seal

Step 3: Pull towards you to remove lid

Step 4: Push forward to remove magnet

Features:

- Uses rare neodymium magnets that won't wear out
- 150 lb lifting capacity
- Impact protection guards around the magnets
- Affordable, durable, and portable
- Storage base protects magnets during transportation
