

U.S.SAWS™

CURVED HEAVY DUTY COLLAPSIBLE STEEL DOLLY

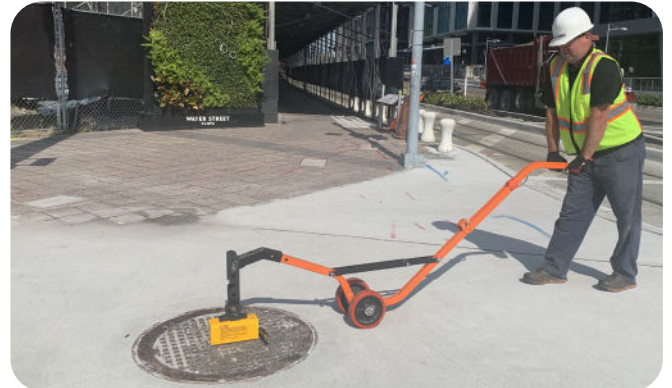

The U.S.SAWS Curved Heavy Duty Collapsible Steel Dolly Manhole Lifter is a versatile tool with the power to get the heavy lifting while avoiding back injuries associated with lifting maintenance hole covers. The unit is compact and lightweight, allowing it to fold down for easy storage and shipping. The dolly eliminates the use of pry bars, ensuring user safety, and moves covers up to 36”.

Recommended for covers up to 300, 600, or 900 lbs

Kit Includes: Curved Heavy Duty Collapsible Steel Dolly, 8” Hard Wheels & Heavy Duty Magnet, Supreme Duty Magnet or Mega Duty Magnet

Features:

- Keeps the operator at a safe distance while lifting
- Folds down for easy transport
- Recommended for covers up to 300, 600 or 900 lbs
- Allows for two lift positions
- Eliminates the use of pry bars
- Reduces injuries caused by handling covers
- Moves covers up to 36”
