## Husqvarna K 770

The 14" Husqvarna K 770 is a powerful all-round power cutter with features that make it one of the best power cutters on the market. Equipped with semi-automatic SmartTension™ system allows for optimal power transmission, minimum wear and maximum belt life. The light weight, outstanding power-to-weight ratio, the reliable start and exceptionally low vibrations mean less strain and maximised productivity. Suitable for road work and easy to cut in a straight or curved track or close to sidewalk when used with KV7 trolley.

### Features:

- The semi-automatic SmartTension minimises the risk of under- and over tensioning
- A light, compact and powerful machine with superior power-to-weight ratio
- The unique design of the carburettor, cylinder and digital ignition system, together with air purge and decompression valve ensure an easy start
- Built-in automatic filter compensation SmartCarb™ maintains high power and lowers fuel consumption

Model	Husqvarna K770
Part Number	US33401
Output Power	5 HP
Exhaust emissions (CO2 EU V)	711 g/kWh
Cutting Depth Max	5"
Blade Diameter Max	14"
Arbor Diameter	0.8/1"
Weight	22.4 lbs
