

U.S.SAWS™

Husqvarna K 770 SmartGuard

Husqvarna K 770 SmartGuard is a powerful all-round power cutter with features that make it one of the best power cutters on the market. Equipped with SmartGuard, an extended blade guard design which reduces the likelihood of accidents and circumstances when a kickback may occur as it emphasizes correct technique and correct cutting zone. The semi-automatic SmartTension™ system allows for optimal power transmission, minimum wear and maximum belt life. The light weight, outstanding power-to-weight ratio, the reliable start and exceptionally low vibrations mean less strain and maximized productivity. Suitable for road work and easy to cut in a straight or curved track or close to sidewalk when used with KV7 trolley.

Features:

- When cutting hard materials in confined spaces e.g. pipe cutting
- Enables easy and visual inspection of the condition of the SmartGuard to secure functionality
- Guides you to start cutting in the correct zone thanks to the design
- The semi-automatic SmartTension minimizes the risk of under- and over tensioning

Model	Husqvarna K770 SmartGuard
Part Number	US33401SG
Output Power	5 HP
Exhaust emissions (CO2 EU V)	711 g/kWh
Cutting Depth Max	5"
Blade Diameter Max	14"
Arbor Diameter	0.8/1"
Weight	25 lbs
